

A Two Part Workshop  
**VICTORIAN CORSETRY**

Saturdays, 10:00 to 5:00 PM  
November 6th and 20th, 2010

with **CAROL WOOD**

Fee: \$100.00 Does not include materials

In this two-part class you will learn the art and engineering of the Victorian corset, and make one of your own. Using the pattern for "Ladies' Victorian Underwear" (#100) by Laughing Moon Mercantile, you'll alter the pattern to make a muslin mock-up fitted to your exact measurements, and then you'll use your muslin to make a double-layer corset in coutil, with the option of covering it in your choice of fashion fabric. The two class session is designed to allow adequate time between classes to work on your project on your own time. Depending on your sewing ability and choice of fabrics, the object will be to complete your corset by class end. You can see an example of the corset on display at the museum shop.
