EMBROIDERY MAGIC: STITCHING WITH INTENTION

A 4-Day Workshop • Mon., March 4 – Thurs. March 7 • 10:30 AM - 3:00 PM
with Laura Tandeske

Fee: $215

In this workshop, we will learn the basic surface embroidery techniques and apply them to the ancient art of intention. Throughout history, art, and specifically embroidery has been used for protection and manifestation with the use of symbolism and color. Even the stitches chosen can have meaning in the overall creation of a magical embroidery. Explore your creative talent within a safe and nurturing community where the joy and healing of needle arts will be embraced. All levels of experience are welcome.

MATERIALS: All embroidery supplies that will make your embroidery experience comfortable – your own needles, scissors, hoops, portable hands-free stands, etc – plus any fabric or garment you would like to embroider. (Not required, though.) Bring a lunch!

INSTRUCTOR: Laura Tandeske has been embroidering for 40+ years, and specializes in Surface Embroidery. She studied Fine Art at California State University East Bay, as well as Embroidery with the Embroiderers Guild of America and the San Francisco School of Needlework and Design. Her piece “Balance” toured the United States and Canada as part of the 2-year Sixteenth National Exhibit with the Embroiderers Guild of America.

You can register by mail, by email (info@lacismuseum.org), by phone, or in the museum shop.
