

LEARN TO MEND THE BORO WAY

VISIBLE MENDING: THE BORO WAY

Saturday, Feb. 8, 2025 • 12:30 - 3:30 PM with Pattie Klimek

Fee: \$46

Threadbare jeans, a hole in your favorite jacket, a worn spot in your tote bag: all these can be the springboard for creativity. Mend your garments and accessories with simple embroidery and Sashiko stitches. Learn to do inside and outside applique, along with darning techniques using the running stitch, buttonhole stitch, and simple Sashiko stitches.

Pattie will show you how to do stitches and Sashiko patterns to give your clothes new life with eye-popping details. Even if you have never sewn before, this class is for you!

SUPPLIES NEEDED: See list on the back of this flyer.

INSTRUCTOR: Pattie is a traditional hand quilter, hand piecer, and hand embroiderer whose goal is to remind quilters of the **joy of handwork**. To this end, Pattie lectures and teaches at quilt stores and guilds to pass on the techniques once learned from our mothers and grandmothers.

Register by email at info@lacismuseum.org, by phone, or in person at the museum shop.
